

French Curriculum Map

French- Our Why?

The intent of our French curriculum is to broaden the horizons of our young people by improving their communication skills and encouraging curiosity about the world around them.

The curriculum is also designed to develop our students understanding of metacognition and their ability to learn, recall and re-use their learning. We are teaching our children that they are capable of doing hard things.

Please note: The Curriculum Map begins with L1 at the bottom of this document

Big Ideas promoted in our French Curriculum

Substantive Concepts of our French Curriculum

| | | |
|----------------------|--|--|
| <i>Listen</i> | | Understand and respond to spoken language from a variety of sources. |
| <i>Speak</i> | | Speak with increasing confidence, fluency and spontaneity, finding ways of communicating what they want to say, including through discussion and asking questions, and continually improving the accuracy of their pronunciation and intonation to other people within and beyond their own communities. |
| <i>Read</i> | | Reading is a multifaceted process involving word recognition, comprehension, fluency, and motivation. |
| <i>Write</i> | | Children will learn to express their views and opinions in written form using a vast range of taught vocabulary, |
