Modern World- Our Why?

At Discovery Academy, Modern World encompasses both Religious Education, local and national communities.

Within Modern World, all of our pupils learn from and about religions, other cultures and languages to understand the world around them, fostering pupil's curiosity about their place in the world. Furthermore, it is imperative to embed British Value, protected characteristic and the UN Convention on the Rights of the Child (UNCRC) in lessons (where possible).

Modern World lessons should be assessed in other areas of the curriculum focusing on our communication, which should be evidenced in in the legend assessment system and seesaw.
