

Discovery Contacts...

We are always trying to develop better communication links between families and school. This help guide has all the ways in which you are able to contact school.

Weekly communication

Your children class teacher will contact you during the week via **Seesaw**. We would advise families to download the Seesaw app as you will receive pictures of your child during the week and notes home.

Whole school letters are also sent through Seesaw so please ensure you have alerts set for Seesaw on your device.

Your first point of contact should always be your child's class teacher. If they are not available, please contact the relevant member of senior leadership team before finally the Headteacher.

The main school contact is **0114 4798000** discoveryacademy@nexusmat.org
